International Summer School

Based at our award-winning countryside campus just outside Kuala Lumpur, this Summer School Programme offers opportunities for anyone wishing to undertake short term study abroad while learning about Malaysia's wonderful and varied culture at first hand.

The classes last for two weeks and the whole experience provides a wonderful introduction to the country, one of the most fascinating, dynamic and beautiful in Asia. You can choose from a range of subjects taught by experienced academics in state-of-the-art facilities and impressive surroundings. Participants may also be in residence on campus for a further two weeks before and/or after the classes in order to explore Malaysia further or take advantage of the library and study facilities (supplementary accommodation fee applies).

The programme includes social and cultural activities, visits and field trips. A team of current Nottingham Malaysia students are your 24/7 guides, informants and collaborators, ensuring that you benefit from the latest local knowledge from your peers. And, for 2017

Short Courses

Over 400 students from all around the world come to FPT University for Exchange, Study Abroad and Internship programs every year. In 2013, nearly 500 students from France, Denmark, Portugal, Japan, Korea, Thailand, Brunei and Taiwan chose us for their study abroad experience. Our short term programs highly focus on creating a globalized environment to nurture cross-culture exchange and knowledge share among mobile students. Accordingly, we always endeavor to get them involved in highly interactive classes and enrichment activities and to support them with modern facilities and necessary resources. The academic program, which holds a high reputation for its excellent quality, is neatly designed to match any interest of various disciplines. Through the Study Abroad Programs in Vietnam, we hope to make a contribution to the education of global citizens in a globalized world.
