

MODULE PREFERENCE FORM

Dear student,

With the Module Preference Form (MPF) below you can register for the modules of your choice in the Exchange Programme. Please clearly fill in your name and the name of your university and indicate the courses of your choice, in order of preference.

Please note that, for the **Fall** semester (August 2018- January 2019) you will need to have registered **before 1st June 2018**. If your MPF is received after this date, we cannot guarantee you a place in the exchange courses of your choice.

For Spring semester students (January - July 2019) the registration deadline is **1st November 2018** .

We will always do our best to avoid clashes. However, in a number of cases, especially now that courses from other English-language programmes can be chosen as well, clashes may occur. We advise students to choose 6 modules and indicate their preference using 1 – 6 (1 meaning highest preference) so that alternatives are taken into account in case of oversubscription, clashes or overlaps. **We advise a study load of 30 – 37,5 credits but please do not register for more than 6 modules.**

Should you wish to register for a module from the **other English language programmes**, please be aware usually not more than 5 – 10 students can join. Places are allocated on first-come-first-served basis.
