Housing
Regarding the accommodation in Ribeirão Preto, FEA-RP/USP doesn't offer student
accommodation in Campus, but we have a program with our Brazilian students in which they offer a
place at their house / apartment to welcome an exchange student. The Brazilian students usually
share a house or an apartment that are called "Repúblicas" and they are like fraternities. These
accommodations are paid by the exchange student. We'll send more information later to all
accepted ones. We have a group of students in our Campus, called iTeam, which works and helps
USP with international matters. iTeam through its Housing Program helps international students find
housing in Ribeirão Preto. All incoming students will be assisted by this program. After being
accepted students will be placed in contact with the iTeam, which will provide support.
Buddy Program - iTeam also organizes the Buddy Program, which consists in FEA-RP students
that are previously selected to be tutors of international students. The buddies assist students on
their arrival in the city, present the school, giving all the support to help the stay.
Meals on the campus
From R\$2,00 per meal (at the University restaurant, subsidized by the State of São Paulo) up to
R\$30,00 per meal (at private restaurants and cafeterias on campus)
Health Insurance
Students are required to purchase a health insurance in their home country before arriving in Brazil
Books/study material
Most of the course materials available at the university libraries for free

We estimate an approximately expense of R\$1000,00 per month (including housing and meals)
