

2017-2018 Undergraduate Faculties, Departments & Majors

Faculties	Departments	Majors	
Faculty of Law (Higashiosaka Campus)	Department of Law		
Faculty of Economics (Higashiosaka Campus)	Department of Economics		
	Department of International Economics		
	Department of Public Management		
Faculty of Business Administration (Higashiosaka Campus)	Department of Business Administration	Corporate Management IT Business	
	Department of Commerce	Marketing Strategy Tourism, Hospitality, and Services Trade and Finance	
	Department of Accounting		
	Department of Career Management		
Faculty of Science and Engineering (Higashiosaka Campus)	Department of Science	Mathematics Physics Chemistry	
	Department of Life Science		
	Department of Applied Chemistry		
	Department of Mechanical Engineering	Mechanical Engineering Intelligent Machinery System	
	Department of Electric and Electronic Engineering	Electronics and Information Communication Energy and Environment	
	Department of Civil and Environmental Engineering		
	Department of Informatics	Information System Information Media	
Faculty of Architecture (Higashiosaka Campus)	Department of Architecture	Architectural Engineering Architectural Designing Architectural Residence Planning Management	
Faculty of Pharmacy (Higashiosaka Campus)	Department of Pharmacy		
	Department of Pharmaceutical Sciences		
Faculty of Literature, Arts and Cultural Studies (Higashiosaka Campus)	Department of Literature	Japanese Literature (Literary Creation & Criticism) Japanese Literature (Language & Literature) English Language and British & American Literature	
		Department of Arts	Performing Arts Ceramic Arts
		Department of Cultural and Historical Studies Department of Cultural Design	
	Faculty of Applied Sociology (Higashiosaka Campus)	Department of Applied Sociology	Social Science and Mass Media Studéis Psychology Community Design
Faculty of International Studies (Higashiosaka Campus)	Department of International Studies		
Faculty of Medicine (Osaka-sayama Campus)	Department of Medicine		
Faculty of Agriculture (Nara Campus)	Department of Agricultural Science		
	Department of Fisheries		
	Department of Applied Biological Chemistry		
	Department of Food Science and Nutrition (national registered dietitian)		
	Department of Environmental Management Department of Advanced Bioscience		

2017-2018 Undergraduate Faculties, Departments & Majors

Faculties	Departments	Majors
Faculty of Biology-Oriented Science and Technology (Wakayama Campus)	Department of Biotechnological Science	
	Department of Genetic Engineering	
	Department of Science and Technology on Food Safety	
	Department of Computational Systems Biology	
	Department of Biomechanical and Human Factors Engineering	
	Department of Biomedical Engineering	
Faculty of Engineering (Hiroshima Campus)	Department of Biotechnology and Chemistry	Biological and Chemical Engineering Environmental Chemistry Food Science
	Department of Mechanical Engineering	Mechanical Engineering Design Energy and Mechanical Engineering
	Department of Robotics	Robot Design Robot Control
	Department of Electronic Engineering and Computer Science	Electrical and Electronic Engineering Information and Communication Engineering
	Department of Informatics	Information Systems Information Media Systems
	Department of Architecture	Architecture Interior Design
	Faculty of Human-Oriented Science and Engineering (Fukuoka Campus)	Department of Biological and Environmental Chemistry
Department of Electrical and Communication Engineering		
Department of Architecture and Design		To be advised
Department of Information and Computer Science		
Department of Management and Business
