- Incoming students must attend the orientation sessions.
- It is therefore highly recommended to arrive in Montreal before orientation.
- Incoming students are strongly advised to attend their classes from the very beginning.
- In addition, enrolment in a course could be denied to incoming students who did not participate in the first two three-hour periods of the course, which generally take place in the first two weeks of the semester.
- Since it’s not possible to negotiate the passing of exams in the exchange student’s home institution, students are responsible for ensuring that their departure from Montreal at the end of the semester is scheduled after all final exams.

ACADEMIC INFORMATION

CREDITS AND WORKLOAD

Learning activities are evaluated in credits:

- 1 UQAM credit = 2 ECTS credits

A 3-credit course generally requires 45 hours of class work (i.e. 45 contact hours) and 90 hours of personal work, for a total workload of 135 hours.

FULL-TIME COURSE LOAD

At the undergraduate (Bachelor’s) level, a full-time student must enrol in at least 4 courses (12 credits), the normal course load being 5 courses (15 credits) per semester.

At the graduate (Master’s) level, a full-time student must enrol in at least 3 courses (9 credits), the normal course load being 4 courses (12 credits) per semester.

EVALUATION OF STUDENTS IN COURSES

At the undergraduate level, the level of learning reached by students, in regard to course objectives, is indicated by letter grades:

- A+, A and A- : Excellent
- B+, B and B- : Very Good
- C+, C and C- : Good
- D+, D : Passable
- E : Fail
- S : Satisfactory.

Grades C-, D+ and D are not used in the evaluation of graduate (Master's level) courses.

The following symbols are also used for transmitting technical information on grades:

- ✯ : Incomplete (forthcoming grade)
- # : Authorized delay for grading
- X : Authorized withdrawal from a course
- ZE : Fail by withdrawing from a course

LANGUAGES OF INSTRUCTION

In undergraduate programs (Bachelor’s level) and graduate programs (Master’s level), most courses are taught in French. Some courses are taught in English.

FRENCH

Partner institutions whose main language of instruction is not French must ensure that all students planning to enrol in courses taught in French at ESG have intermediate level spoken and written French. This knowledge of French should be sufficient to enable the student to obtain a minimum score of 605 on the Test de français international (TFI) equivalent to the B2 level (Upper Intermediate) of the Common European Framework of Reference for Languages (CEFRL). This minimum score is presented as a guide. Although no specific test is required, a certificate attesting to the student’s French language skills (oral and written) must be provided by a competent authority.

ENGLISH

Partner institutions whose main language of instruction is not English must ensure that all students planning to enrol in courses taught in English at ESG have intermediate level spoken and written English. The expected level of competency corresponds to the B2 level (Upper Intermediate) of the Common European Framework of Reference for Languages (CEFRL) and to the following major test score (presented as a guide):

- TOEIC : 750 +
- TOEFL (Paper) : 550 +
- TOEFL (Internet) : 80 +
- IELTS : 6,0 +

Although no specific test is required, a certificate attesting to the student’s English language skills (oral and written) must be provided by a competent authority.

**GENERAL INFORMATION**

**INCOMING STUDENTS GUIDE**
Exchange students can access the Guidelines for exchange program in the International section of the ESG website under the headings International Students and Preparing for Departure.

**IMMIGRATION PROCEDURES**
Students studying in Québec for a period of six months or more must obtain, before their arrival, an acceptance certificate (Certificat d’acceptation du Québec (CAQ)) from Immigration-Québec and a study permit issued by Immigration and Citizenship Canada. For details, see:
- www.immigration-quebec.gouv.qc.ca
- www.cic.gc.ca

**HEALTH INSURANCE**
Exchange students at ESG UQAM are obliged to be covered by a health insurance plan. Two options are available:

1. **Coverage by the Régie de l’assurance maladie du Québec (RAMQ)**
   The Government of Quebec has signed a series of reciprocity agreements with Belgium, Denmark, Finland, France, Greece, Luxembourg, Norway, Portugal and Sweden. Under these agreements, exchange students who are nationals of these countries are exempted from subscribing to a health insurance plan after demonstrating to the UQAM authorities that they have obtained a RAMQ card.

   Procedures for obtaining the RAMQ card are presented in the International section of the ESG website under the headings International Students and Preparing for Departure.

   Finally, please note that the deadlines for applying for exemption from the health insurance fee are September 30 (Fall Semester) and January 30 (Winter semester).

2. **Coverage by the Desjardins Sécurité Financière (DSF) compulsory health insurance plan**
   Since subscription to a Canadian or a foreign health insurance plan, other than the DSF plan, is not accepted, exchange students are automatically charged a health insurance fee upon their arrival at UQAM. In 2015-2016, this fee was $348 CAD per semester.

   It should be noted that exchange students are covered by the DSF health insurance plan as long as their enrolment in courses is maintained. Students are no longer entitled to benefits from the DSF plan as soon as they cancel their courses.

**ARRIVAL AT THE AIRPORT**
In the weeks preceding the start of the fall semester, students arriving at Montreal-Trudeau Airport can consult the officers stationed in two welcome booths to provide information and address immediate concerns (transportation to UQAM, temporary housing in Montreal, etc.).

**TRANSPORTATION FROM MONTREAL-TRUDEAU AIRPORT TO THE UQAM CAMPUS**
There is no airport pick-up service for international students. However, this route is served by the Société de transport de Montréal (bus #747) with 24-hour service for $10.

**INTEGRATION ACTIVITIES ORGANIZED BY SSI**
Orientation sessions, welcoming days, “Aurevoir” cocktail party, International happy hour.

**SERVICES AVAILABLE ON THE UQAM CAMPUS**
University library, bookstore, computer labs, cafeteria, sports center, sports activities, student coffee shop.

**SERVICES AVAILABLE NEAR THE UQAM CAMPUS**
Quebec National Library, restaurants, banks, shops, bookstores, hotels.

**HOUSING**
UQAM’s Services à la vie étudiante helps exchange students find accommodations, for the duration of their stay or a few days, upon their arrival in Montreal.

**Residence halls**
Two residence halls are located on the UQAM campus. To make a reservation, which should be done as soon as possible, exchange students should have completed the admission process and received their acceptance letter from UQAM. Then, students should contact the residence halls office at:
- www.residences-uqam.qc.ca

Contracts with the residence halls are binding from August 15 to May 15. Therefore, rooms are normally reserved for students seeking accommodation for two semesters.

**Off-campus housing**
Exchange students looking for an apartment may refer to the data bank (apartments to rent, sublet or share) provided by UQAM in J.-A.-De Sèves Building (Room DS-R503) or at:
- international.esg.uqam.ca/fr/hebergement.html

**Off-campus temporary accommodation**
In the vicinity of UQAM, several establishments offer reasonably priced lodging on a temporary basis. However, it would be wise to make a reservation as soon as you know your arrival date. See the following list:
- international.esg.uqam.ca/fr/hebergement.html

**COST OF LIVING IN MONTREAL**
Living expenses for students, depending on their lodging and lifestyle, range between $1 200 CAD and $1 500 CAD monthly.
