How to get to EM Normandie?

You can either choose our airport pick up (option A), Ouibus/Flixbus (option B), book a collective taxi (Option C) or make your own travel arrangements (option D).

Option A: Airport Pickup service

An airport pickup from CDG (Charles de Gaulle) can be organized by EM Normandie’s International Office before the orientation days start. This service costs approximately 30€uros. An application form is to be filled in and returned to the International Office to request for this service.

Please note that the airport pickup might be cancelled if the number of participants is not sufficient. You would be informed well in advance.

If you are arriving at Orly Airport, you will have to go and meet the group at CDG airport. We advise you to take “Les cars Air France”, which run a direct shuttle service from Orly to CDG Airport. The cost is 20 €uros (17 €uros under 25 years old).

Your coordinator will send you all the information in advance and get back to you once you are registered.

Option B: Ouibus/Flixbus

Bus Line OUIBUS : Departures Paris-Center (ex: Porte Maillot) to Caen Gare or Le Havre.
(costs depending on the days: 9,00 € / 12,00 €)  www.ouibus.com

Bus Line FLIXBUS : Departures Paris-Charles de Gaulle to Le Havre or Paris-Centre (Porte Maillot) to Caen.
(costs depending on the days: 11,50 €/14,90 €)  www.flixbus.fr
Option C: collective taxi

Before your departure, you can order a collective taxi (or shared taxi) from Paris airport directly to Caen or Le Havre. The advantage is that it is a door to door trip. The cost is approximately 110-120 euros for 1 person, 150 euros for 2 persons, 180 euros for 3 persons... If you book together, the more you are, the less you pay. Indicate that you are from EM Normandie when booking.

✔ For Le Havre: www.stvoyageurs.com
✔ For Caen: www.thp-transports.fr

Option D: Travelling on your own from Paris to Normandie

**Case 1:** Arrival at Charles de Gaulle (CDG) airport

If you are not using the airport pick up service to go to your campus from Paris, you must first go to Saint-Lazare train station (in French: Gare Saint Lazare) located in the centre of Paris. All trains for the Normandy region depart from this train station.

How to get to Saint Lazare train Station from CDG Airport?

You have three options to go to the Saint-Lazare train station from Charles de Gaulle CDG airport:

- **Option 1: TAXI**
  Taxi from CDG airport to « Gare Saint-Lazare »
  Fare: € 60 - 80
  Journey time: Approximately 45 minutes
  This is a very practical option and you can share the cost with a friend.

- **Option 2: ROISSY BUS**
  Buy your ticket when boarding the bus (small change needed) or at the exit gate at the airport or from the RATP ticket office nearby.
  The shuttle bus will drop you at Opera (next to the American Express Office); either you walk to the Gare St Lazare, go past the Printemps Department Store (approximately 15-20 mn walk). Ask for a ‘Galerie Lafayette’ complimentary map before you leave the airport or take a taxi for a short drive (1 minute).
  Journey time: Approximately 1 hour

- **Option 3: RAIL – RER/METRO**
  The RAIL – RER/Metro is not safe after 8pm – not practical if you have a lot of luggage (narrow escalators)
  Take the RER B from the CDG airport to “Gare du Nord” - Try to take the train which does not stop at every station. It might leave a few minutes later but it arrives quicker!
  Journey time: Approximately 25 minutes to Gare du Nord
  Frequency: Every 10 - 15 minutes on weekdays
  Fare: One ticket: € 9.10
RER B:

Then walk and follow the directions for ‘RER E’ direction Saint-Lazare at Magenta RER station (situated below Gare du Nord), take the RER E at Station Magenta and go to “Haussmann Saint-Lazare” (refer to map below).

Follow the directions for “Train Grandes Lignes” and you will arrive on the Regional Trains platforms of the Saint Lazare train station.

Case 2: You arrive at Orly airport

We advise you to take the Orlyval, http://www.orlyval.com/eu/index.eu.htm, an automatic metro goes from Orly Airport to Anthony (8 mn), then take RER B (direction Paris), stop at Chatelet les Halles (25 minutes) and take Metro line 14 ‘Direction Saint Lazare’ (7 minutes). You can buy a single ticket: around 12€uros.

Then, follow the direction “Trains Grandes Lignes” and you will arrive at Saint Lazare train station.

Once at Saint Lazare train Station.

At Saint Lazare train station, you must buy your ticket at the desk before you get on the train. Visa cards are accepted. You can also buy an e-ticket on the internet at home and print it.

Check train schedules on www.sncf.fr from Saint Lazare (Paris)

Have a good trip!
Accommodation while in France

The International Office offers help to international students throughout their search for accommodation and does keep an up to date list on Le Havre and Caen campuses. However, we have but limited vacancies. The international office will not be able to offer help after June 30th.

A list of different types of accommodation (private shared rentals, individual flats, student halls of residence – CROUS, or private residences…) will be sent by email in June by your coordinator. Once the list is sent to the students, the distribution will be based on a “first come/first served” basis. Late registration means fewer choices.

Regarding housing in Paris, the demand is higher than supply, and consequently rents are higher and more difficult to find than on other campuses. You will receive information to help you in your research.

What is APL Housing Support?

The CAF – Caisse d’Allocations Familiales is the Institution which deals with the APL (Aide Personnalisée au Logement). The APL is a housing financial support granted by the French government. The calculation is based on your family status, the surface of your accommodation, your previous income, and so on…

Who can apply?

All European students and non-European students holding a “VLS-TS STUDENT D visa ceseda R311-3” may apply for this financial support.

**Important:** Non EU students, you will **not** be able to receive the financial support if your VISA mentions: “DISPENSE TEMPORAIRE DE CARTE DE SEJOUR”.

Which documents **will you need in order to apply?**

- Copy of your passport or ID
- Copy of your VISA for non-European students and OFII sticker on passport
- International Birth Certificate or Birth Certificate officially stamped and translated into French.
- Scholarship certificate (given on arrival)
- Copy of your European Health Insurance Card (EHIC) for European Students
- French Bank details (RIB)

On each campus, the Incoming students Coordinator will help you during registration days for your online application.
Compulsory MRH (Multi Risque Habitation) Insurance /home insurance:

Whatever the accommodation you may rent in France, you must subscribe to a MRH insurance. This insurance covers mainly fire and flooding damage.

You will have different options to subscribe the MRH insurance. It can cost from 60 to 200 euros according to your accommodation and your contract and your age. Your subscription can be done via private companies or your French bank. Some banks offer the MRH for 1 euro when you open your bank account in their institutions. Depending on your choice of accommodation, you might have to subscribe a contract before you arrive in France in order to get your keys on arrival. To make it easier for you, the Incoming students Coordinator will let you know how to proceed once you have chosen your accommodation.

Housing tax (taxe d’habitation)

In certain residences, be aware that as long as you live in your room on January 1st the current year, you will be requested to pay the housing tax. If your housing contract stipulate that you are in your apartment on Jan 1st you will have to pay the tax. The housing tax is approximately one month’s rent. You will be asked to pay it to the French Government once you are back to your home country.
Bank account in France.

During registration days, you will receive help to open a bank account. Most of you will have to open a bank account for the following reasons:

- Deal more easily your tuition payment to EM Normandie
- To receive the Governmental Housing financial support (APL) if you are eligible.
- The French Health Care Coverage (Sécurité Sociale Française) will reimburse your medical costs directly on your French bank account - (European students are not concerned since they benefit from European coverage- they will need to forward their health expenses back to the Health Care Administration in their home country.)
- In case you need to renew your resident’s permit, you will have to show the immigration office that you have sufficient financial resources to continue living in France. (European students are not concerned.)

Your French Bank will issue a French Master Card or VISA card. ATMs are available everywhere both in cities and smaller places. Most banks are open from Tuesdays to Saturdays.

**Where can you change money?**

You can change your money in a bank or in a currency exchange office. You should compare the currency rate and commission rate. Then, choose what it is the best option for you.

French Health Care Coverage =
Sécurité sociale

**European Students**

Before your arrival in France, you must obtain your European Health Insurance Card – EHIC (picture below) and bring it to France with you.

If necessary, English speaking doctors are available in each of the three cities.

**Non-European Students**

When you apply for your French visa, you may also have to prove that you have a private health insurance. However, this is an extra cover and is not a substitute for the French Health Care Coverage.

The French Health Care coverage is compulsory when you study or work in France for more than 3 months from Sept 1st and if you are under the age of 28. If your programme starts in August, in order to be covered you will have to pay an additional insurance of €45 or you are required to come with a private travel insurance. A copy of your insurance contract will be asked on arrival.

You will need to fill out a form during the registration days and pay this through the School’s Accounts Department on arrival (€215 for the academic year 2016 starting on Sept 1st) and provide a Birth Certificate translated into French. This Birth Certificate must have either an apostille delivered by a court of justice (Japan, Mexico, South Corea, India, USA, India, Russia…) or a legalization sticker delivered by the Consulate of France (Philippines, China, Emirates, Koweit, Taiwan…). Neither an apostille nor a legalisation are required on your birth certificate if you are coming from Brazil, Cameroun, Ivory Coast, Gabon, Madagascar, Sénégal, Turkey and Vietnam. If your nationality is not listed above the international coordinator will give you the relevant information individually by email.

The French Health Care covers 70% of your basic medical and health related expenses. French Health Care does not cover costs for emergencies such as repatriation. The remaining 30% can be covered by an additional insurance called “mutuelle complémentaire”.

If you’re over 28, you will need to be registered through the Public Health Care Administration – CPAM (Caisse Primaire d’Assurance Maladie). The International Office will help you to fill out the appropriate form.

Immigration

European students:
EU students are not required a VISA, but a valid ID card or passport is required.

Non-European students:

Before coming to France (after the Admission procedures):
Non-European students must have a student VLS-TS VISA (VISA D) for France in order to study in France.

Non-European Students coming from a European partner University are also required to have a STUDENT VISA D for France. You must check with your Home International Office regarding your status when registering.

Once you are admitted to EM Normandie, you will receive a Letter of Admission by email and you must then apply for a VISAD for FRANCE (an extended-stay student visa, with residency permit - VLS-TS)

For more information please visit the following web site: http://www.campusfrance.org/en

Once you have received your visa please check what is written on the bottom line of your VISA:

Case 1 :

« Ceseda R 311-3 6° Autorise travail limité- 60% durée légale »

When this VLS-TS visa is issued, the consulate gives the applicant an official form (with instructions) that the applicant must present to the French immigration and integration office (OFII) on arrival in France.

EM Normandie International students Coordinators will collect the completed forms with passport cover page, visa, and stamp justifying the date of entry during registration days and forward all the papers to OFII (Office of French Immigration and Integration).

Case 2 :

« Dispense temporaire de titre de séjour »

This means that you do not have to go to OFII on arrival in France. You may stay in France during the validity of your visa. However please note that you are not allowed to work in France under this visa.

A long stay Visa (VLS-TS Visa) allows you to travel under the following conditions:
- Within the first three months after your arrival in France you are allowed to circulate (without any other formalities) inside and outside the Schengen Area.
- After the three first month you are allowed to travel only if you have the OFII sticker on your Visa.

Electricity in France

**Important:** Make sure that you buy an adaptor from your home country before your departure (maybe 2 or more for your computer, your hairdryer etc. You will probably have difficulties finding the appropriate adaptor once in France.
Voltage: 240 volts if you come from a country running on 110Volts, may we remind you that an adapter is not a transformer. Most computers accept a voltage range from 110 to 240V, but hair dryers definitely can’t!
