APPLICATION PROCEDURE	
Online application	<p>Please follow the instructions sent by email and apply online through Moveonline. The deadline to apply for your exchange program is 1 May 2016</p> <p>If you have questions about the application, please contact Intoffice@inholland.nl</p>

For Non-EU students	<p>Check the Visa Info Sheets if you have a non-European nationality. The deadline to apply for your visa/residence permit is 15 May 2016.</p> <p>If you have any questions concerning your visa or residence permit, please contact our colleagues at the International Recruitment Office, by sending an email to international@inholland.nl</p>
Accommodation	<p>We offer accommodation for exchange students. There is a limited number of rooms available, so please apply as soon as possible! The application for accommodation starts on 1 May 2016.</p> <p>If you want to look for accommodation yourself, this is allowed but we do not recommend it. 90% of the exchange students live in the accommodation offered by Inholland. Student rooms are hard to find, since many of these student rooms are rented out for minimum a year and without furniture.</p> <p>To apply for the accommodation through Inholland (from 1 May on) please have a look at the website</p>
Insurance	<p>European students need to bring a European Health Insurance card. We highly recommend all students to take out a liability insurance as well. Non-European students need to take out an Insurance Passport for Students (IPS). In case Inholland applies for your Visa or Residence Permit, the International Recruitment Office will take out the IPS insurance on your behalf.</p>
Airport pick-up	<p>A pick-up service from the airport is offered, we will inform you about the exact date before your semester starts.</p>

ADDITIONAL INFORMATION FOR EXCHANGE STUDENTS

Introduction Programme	<p>The Introduction Programme will take place at the end of August 2016 and attendance is <u>compulsory</u>. You will receive important information, needed throughout your stay at Inholland. Of course it is also a great opportunity to meet the other exchange students, the Erasmus Student Network and to get to know the university and the city where you will be studying.</p>
