

MODULE PREFERENCE FORM

Dear student,

With the Module Preference Form (MPF) below you can register for the modules of your choice in the Exchange Program. Please clearly fill in your name and the name of your university and indicate the courses of your choice, in order of preference.

Please note that, for the **Spring** semester (January - July 2020) you will need to have registered **before 1st November 2019**. If your MPF is received after this date, we cannot guarantee you a place in the exchange courses of your choice.

We will always do our best to avoid clashes. However, in a number of cases, especially now that courses from other English-language programmes can be chosen as well, clashes may occur. We advise students to choose 6 modules and indicate their preference using 1 – 6 (1 meaning highest preference) so that alternatives are taken into account in case of oversubscription, clashes or overlaps. **We advise a study load of 30 – 37,5 credits but please do not register for more than 6 modules.**

Should you wish to register for a module from the **other English language programs**, please be aware usually not more than 5 – 10 students can join. Places are allocated on first-come-first-served basis.

In case you have any other queries, please do not hesitate to contact me via:
