## About IISMA Program

- **Indonesian International Student Mobility Awards (IISMA)** is the Government of the Republic of Indonesia scholarship scheme to fund Indonesian students for mobility program at top universities overseas. Undergraduate students could spend one semester at the overseas university partner to study, to experience the host country's culture and undertake practical assignments to enhance their skills.
- The scheme is centrally managed by Directorate General of Higher Education, Research, and Technology (DGHERT), Ministry of Education, Culture, Research, and Technology (MoECRT) and is open for undergraduate students from all Indonesian Higher Education Institutions under DGHERT.

# Program Objectives

## 20 Credits

Guaranteeing 20 credits transferred to Indonesian universities to ensure students will not be left behind due to following IISMA program in host universities. 20 credits is gained through academic and activities taken based on students' interest.

## Multidisciplinary

Giving students chance to learn multidisciplinary knowledge based on each student's interest through various courses. They are free to choose courses which do not have correlation with their department in home universities.

## Knowledge & Skill

Giving students chance to gain knowledge and skills from world renowned universities in 30 countries. A great chance to learn to lecturers with good capability in their field of study.

## Cross-cultural Understanding

Increasing students' cross-cultural understanding through gaining experience in host countries. Students also can develop cross-cultural skills as they study and stay in the same class with locals.

## Networks

Enhancing networks in international level through meeting local and international students, lecturers and society. Networks can be gained by involving in academic and non-academic activities in host universities.

## Career

Preparing qualified graduates with experience, knowledge and skills to gain future careers. Learning experience abroad can give more values as important part of students' equipment for future workplace.

# Learning Process

- Students must take 3-4 courses offered at partner universities
- Face-to-face lecture sessions are conducted on site
- Home university will recognize the students' learning outcomes for a total of 20 credits (SKS), as the implementation of Program Merdeka Belajar – Kampus Merdeka Kemdikbudristek
- In addition to academic activities, students are expected to take part in cultural activities and other non-academic activities

# IISMA Scholarship Coverage

- Registration and tuition fee at the host university.  
*Note: Tuition Fee (BP3 and SKS) payment at BINUS still applies.*
- Transportation fee (economy class, at cost)
- Health insurance fee
- Visa application fee
