### **Programme Brief: Social Sustainability Leadership Forum (SSLF) 2024**

The Singapore University of Social Sciences invites Student Leaders to our inaugural Student Leadership Forum on Social Sustainability, from **13<sup>th</sup> May to 17<sup>th</sup> May 2024**. This forum is for current University Student Leaders who are 18 years old and above, as of 1<sup>st</sup> January 2024.

Based on **David Kolb's Experiential Learning Theory (1984)**, the five-day programme will be held across various locations in Singapore, focusing on inclusivity and resilience, providing participants the opportunity to experience and learn more about the different pillars and principles of Social Sustainability through the lineup of specially curated workshops and activities. The programme also helps to facilitate a greater understanding of the regional issues through cultural exposure and develop traits to advocate for sustainable issues in their home communities.

The **Social Sustainability Leadership Forum 2024** will be conducted entirely in **English**. Student Leaders are strongly encouraged to attend an online engagement session to understand more about this forum. Please indicate your preferred date(s) in the registration link below.
